APPLICATION AND PERMIT FOR THE ESTABLISHMENT OF A VENDING FACILITY ON  
FEDERAL PROPERTY AS AUTHORIZED BY PUB. L. 74-732, AS AMENDED BY PUB. L.  
83-565 AND TITLE II OF PUB. L. 93-516 (RANDOLPH-SHEPPARD ACT)

The Texas Commission for the Blind (designated State Licensing Agency) of the State of Texas requests approval of General Services Administration to place a vending facility on the property located at ~~1825~~ Directors Boulevard, Austin, Texas.

1821

Satisfactory Site: It has been determined that this location meets the criteria of a satisfactory site as defined in 34 CFR 395.1(q). Any exceptions are documented in Attachment A.

Type, Location, and Size of Facility: Type of facility (defined in instructions for Form OHD-RSA-15): Vending; facility location: 1825 Directors Boulevard, Austin, Texas; facility size: 4,700 sq. ft., vending area 1,700 sq. ft. (floor plan, Attachment B). The type of articles to be sold and services to be offered are enumerated in Attachment C. The fixtures and equipment for this facility, including the responsibility for the provision thereof, are set forth in Attachment D. The location, type and number of vending machines which constitute all or part of this facility are noted in Attachment E. The facility will operate 5 days a week from 6:00 a.m. to 9:00 p.m. commencing on February 22, 1988, closed on all Federal Holidays.

Machine Income Sharing: The type and location of each vending machine located on this property and the specific income sharing provisions in 34 CFR 395.32 applicable to each such machine will be indicated in Attachment F. Vending machine income will be disbursed to the State Licensing Agency on at least a quarterly basis, or as otherwise agreed.

Other Terms and Conditions: Both parties must comply with 34 CFR 395.35. Any additional terms and conditions applicable to this location are in Attachment G. This permit is issued for an indefinite period of time subject to suspension or termination for noncompliance by either party with any of the agreed upon terms and conditions of the permit. By mutual agreement the State Licensing Agency and the property agency/owner may terminate the permit after providing notice of the intended termination, including the reason for it and supporting documents to the other party. Both parties must comply with all regulations issued in title VI of the Civil Rights Act of 1964. The reason for denying the application must be sent in writing to the State

#### Other Terms and Conditions:

Normal cleaning is the current standard level of cleaning services provided by General Services Administration (GSA) for the type of space occupied. GSA provides cleaning only for those areas within the vending facilities which are open during the normally scheduled cleaning hours. The standard level of service under the Federal Buildings Fund for cleaning vending facilities provides the following for floor maintenance and trash removal:

1. Floors will be swept, spray buffed and refinished under the standards for maintaining main corridors.
2. Trash will be removed daily from a temporary storage area as designated by the buildings manager.

The following requirements represent the current standard level of cleaning service provided by GSA. Vending facilities to be cleaned by the manager will provide the same standard level of cleaning service.

#### 1. Daily:

- a. Sweep and damp mop all spillage and damp wipe tables:

SWEEPING/DAMP MOPPING: Floors shall be clean and free of trash, foreign matter, mop strand marks and skipped areas. Walls, baseboards, and other surfaces shall be free of splashings and markings from the equipment. The finished area shall have a uniform lustre.

- b. Vacuum full floor area:

THOROUGH VACUUMING: Carpets shall be clean and free from dust balls, dirt and other debris; nap on carpets shall lie in one direction upon completion of the vacuuming task.

- c. Clean spots and marks off walls:

SPOT CLEANING: Smudges, marks or spots shall have been removed without causing unsightly discoloration.

- d. Remove all trash:

SOLID WASTE COLLECTION: All solid waste generated in the building shall be collected and removed to storage areas designated for trash by the buildings manager.
